VENTURA RANCH KOA RALLY

July 12-16, 2018

Your hosts; The Neel
Family. David, Ari,
William and Max

Welcome to beautiful Santa Paula and the serene KOA campground

Fun, Friendship and
Adventure.

AIRSTREAMERS HAVE
ENJOYED CAMPING AT THIS
FACILITY FOR MANY, MANY
YEARS

Airstream Clubs from Region 12 have enjoyed this facility for a number of years. Now, its time for the Greater Los Angeles Airstream Club to start their own tradition. The campground is surrounded by rolling hills, rugged mountain peaks and orange, lemon and avocado groves. Santa Paula Creek runs along the perimeter and the natural beauty of the terrain, coupled with large mature shade trees, make this a popular location for RV'ers from around the county and state. You will enjoy watching peacocks walk through your site and listening for woodpeckers, raptors, warblers and coyotes. The cities of Santa Paula, Fillmore and Ojai are not far away in case you wish to go shopping for antiques or take in some local food and brew. See the next page for a breakdown of activities for Friday, Saturday and Sunday. We hope you enjoy this campground and what we have planned for you.
