

2020 Events Schedule

January – Valley of Fire

Immediately following the Mid-Winter International Board of Trustees Event in Las Vegas, this is an easy 67 mile trip to an amazing geological wonderland.

Valley of Fire consists of bright red Aztec sandstone outcrops nestled in gray and tan limestone mountains. The sandstone is from the Jurassic period and is the remnant of the sand left behind by the wind after inland seas subsided and the land rose.

The group site was ideal and even included daily visits by the local longhorn sheep.

February- El Chorro

Located right outside downtown San Luis Obispo, this park features the Dairy Creek Golf Course and a variety of outdoor attractions and facilities including barbecue areas, softball fields, botanical gardens and various

hiking trails. Don't forget about all the shops, restaurants and site seeing available in nearby San Luis Obispo, Morro Bay, Cambria, Avila Beach & Pismo Beach!

March – Jumbo Rocks at Joshua Tree National Park

Jumbo Rocks is a prime camping location and a GLAAC favorite. Close proximity to amazing rock formations and great hiking opportunities. It was extra special in 2020 as it was the last rally for a number of months.
